Chief, Supply Division

Fusee, Warning, Red (1370-H00-7950-1512)

REF : MD Memo 504-69 dtd 9 Sept 1969

It is requested that the 607 defective fusees reported in reference as well as 27 each stock number 1370-H00-8767 be destroyed by burning. These fusees are excess to any known requirement and the assignment of priority of issue would be inappropriate.
